Graduate Credit Requirements: Attend a total of twelve (12) events. You may include no more than four (4) concerts toward meeting this requirement. For example: 12 Clinic Sessions, 11 Clinic Sessions and 1 Concert, 10 Clinic Sessions and 2 Concerts, etc.

Using the required template (below), submit a typed synopsis to pd_director@omea-ohio.org by February 21.

Your paper should include:

- Name
- Teaching Area(s)
- Years of Experience
- Email Address

Please copy and paste this table at the beginning of each session reflection. 1=Low, 5=High

Session Title	Day	Room	Time				
Clinician Name:							
Question	1	2	3	4	5		
Session content will be useful in my work.							
The presenter was engaging.							
The session was well planned.							
What is your level of interest in learning more about this topic?							
I would recommend this session to colleagues.							
Overall rating of presenter.							
Session content matched description.							

Each table should be followed by a brief synopsis of the session. The synopsis should include critical analysis of the value of the session, content, and application to your unique teaching situation. Please do not state "this session didn't really apply to me so I didn't get anything out of it". If that is the case, please choose another session for your reflection.

For each concert performance (max of four), please include ensemble name, day, room and performance time. Please include a general review of the performance including programming, pacing, educational value and any application to your unique teaching situation. This is not an adjudicated event. You do not need to list all of the mistakes you hear or critique the ensemble in great detail. Please keep your comments professional.

General Comments

Your reflections should be based on sessions/concert(s) that you actually **ATTEND**. Do not base your reflection solely on information printed in the conference program book or the Guidebook app.

The appropriate length of a reflection is one paragraph consisting of five-six sentences for each event (12) attended. Please do not include additional events.

Deadline February 21

All work must be submitted via email to pd_director@omea-ohio.org. Please make sure that the file name contains your last name and Ashland, e.g. "Smith Ashland". Please submit files in Word or PDF format only. Files will be acknowledged when received and assessed based on the rubric below. Reflections deemed unsatisfactory will be given one opportunity to resubmit. The credit is offered on a S/U basis. You will be notified by Ashland when grades are available. **If needed, a transcript may be requested through the Ashland website (<http://www.ashland.edu/>).** OMEA does not issue transcripts.
